

PLDC Mission Support Package

TNSG

Professional Leadership Development School

The PLDC Mission Support Package has been designed to provide the proper tools for the writing of an Operations Plan.

Included:

- (1) 1/24,000 scale topographic map of the operational area and an UTM Coordinate scale w/protractor.
- (2) Transparency material for a Map Overlay.
- (3) A rough Operations Plan format.
- (4) 4 rough Staff Estimate forms for S1, S2, S3, and S4 staff sections.
- (5) Risk Assessment/Management Worksheet with Instructions.

This map should be reported as REFERENCE: [Lavergne Quadrangle 16SEF](#)

Any questions about this package or requests for MSPs should be addressed to Colonel Walter Hofman at wjh2657@yahoo.com
