

COMMAND POST OPERATIONS

Subcourse Number IN0515

EDITION B

United States Army Infantry School
Fort Benning, Georgia 31905-5593

5 Credit Hours

Edition Date: June 1991

SUBCOURSE OVERVIEW

This subcourse is designed to teach you procedures for the control of an operation, combat records and reports, analysis of the area of operation, and establishing and displacing a tactical operations center.

There are no prerequisites for this subcourse.

This subcourse reflects the doctrine which was current at the time it was prepared. In your own work situation, always refer to the latest publications.

The words "he," "him," "his," and "men," when used in this publication, represent both the masculine and feminine genders unless otherwise stated.

TERMINAL LEARNING OBJECTIVE

TASK:	You will be able to identify the organizational considerations for an operation, command post, command post operations, combat records and reports, analysis of the area of operations and establishing and displacing a tactical operations center.
CONDITIONS:	Given the subcourse material, a training and extracts as applicable, the student complete the examination at the end of subcourse.
STANDARDS:	The student will successfully answer 70 percent the questions on a multiple-choice based examination for this subcourse.
